

# Marriott Torrance South Bay Parking

## **How to use parking validations for Daily Attendees**

- Meeting attendees must pull a white parking ticket to enter garage
- The GSAW2009 group has negotiated discounted self-parking rates at the conference:
  - \$8.00 per car per day
- Parking validations for self-parking will be provided at the conference registration desk
- Upon exiting the self-parking garage, please follow these steps:
  - Insert the white parking ticket into the Exit Lane Automated Pay Station
  - Note the amount due and follow prompts for payment
  - Enter the validation ticket, which will reduce the amount due to \$8.00
  - Pay balance due with cash or credit card

## **Overnight parking for Hotel Guests**

The \$8.00 self-parking rate is also available to overnight guests. However, hotel guests should NOT use parking validations. They must use their room keys to enter or exit the parking garage.

Please have the room key activated upon check-in at the Front Desk and be sure to ask for the GSAW2009 negotiated self-parking rate. Overnight parking includes in and out privileges.
