Who is the audience for the FRD?

Answer) Key Stakeholders, Experienced Peers etc.

The FRD needs to demonstrate a viable Return On Investment for the system (True/False)

Answer) TRUE

If there is no monetary gain from a to-be-developed system, there is no return on investment. (True/False)

Answer) FALSE

The FRD doesn't address costs associated with the system after transition of the system. (True/False)

Answer) FALSE

If the FRD's incomplete portions are not covered by risk management plans, it's okay to pass into the next phase anyway. (True/False)

Answer) FALSE
