---

- In ONE PowerPoint chart summarize your evaluation results of the Pre-CCD system and also present the strategy you would take (given the project dynamics) to evaluate your team's transition and support plan to help the client accepting the product.
- You should also have a cover page for your one-slide presentation with your name, team, phone etc.
- You will be asked to call-in so make sure that you are available during your team's TRR session.
- Send it to your team and mark a copy to [apurvaja@usc.edu](mailto:apurvaja@usc.edu).
