Thanks!

To Barry and Rich for
• addressing this topic
• promoting discussion
• trying to reach for the middle ground
My Perspective

Member of a team using the Team Software Process (TSP) for three years.

Launched and coached dozens of TSP teams.

Used some XP practices in my own work.
Topics

• Overview of methods
• Day in the life
• Home grounds
• Five critical decision factors
• Using risk to balance agility and discipline
  - How much planning is enough?
