2 Education

Doctor of Philosophy (3/99, Cumulative GPA: 4.00)

University of California, Irvine — Department of Information and Computer Science
Dissertation: *Architecture-Based Specification-Time Software Evolution*

Master of Science (6/95, Cumulative GPA: 4.00)

University of California, Irvine — Department of Information and Computer Science

Bachelor of Science, Summa Cum Laude (8/92, Cumulative GPA: 4.00)

Arizona State University — Computer Science and Engineering Department

3 Employment History

7/11 - present Associate Chair for Ph.D. Affairs, Computer Science Department
University of Southern California, Los Angeles, CA

2/11 - present Professor, Computer Science Department
University of Southern California, Los Angeles, CA

1/09 - present Director, Center for Systems and Software Engineering
Viterbi School of Engineering, University of Southern California, Los Angeles, CA

3/05 - 2/11 Associate Professor, Computer Science Department
University of Southern California, Los Angeles, CA

1/99 - 3/05 Assistant Professor, Computer Science Department
University of Southern California, Los Angeles, CA

9/94 - 12/98 Graduate Student Researcher, Software Architecture Group
University of California, Irvine, CA

9/93 - 8/94 Teaching Assistant
University of California, Irvine, CA

6/93 - 8/93 Research Assistant, Software Engineering Group
Arizona State University, Tempe, AZ and Rupp Technology, Phoenix, AZ

8/92 - 8/93 Teaching Assistant
Arizona State University, Tempe, AZ

4 Honors, Awards, Fellowships

2010 USC Mellon Mentoring Award

2009 Best Poster Award, International Conference on Program Comprehension

2008 Most Influential Paper Award, International Conference on Software Engineering

2005, 2009 Finalist, Most Influential Paper Award, Int'l Conference on Software Engineering

2007 IBM Real-Time Innovation Faculty Award

2007 Most cited software engineering paper published in a scientific journal in 2000

2005 Okawa Foundation Research Grant

2000-2005 National Science Foundation (NSF) CAREER Award

1999, 2000 USC, School of Engineering Teaching Honor Roll

- 1993-94 UC Irvine, Department of Information and Computer Science Fellowship
- 1992 Arizona State University, Moeur Award (top student in the graduating class)
- 1991-93 UPE National Honor Society for the computing sciences
- 1990-93 Golden Key National Honor Society
- 1990-92 Arizona Regents International Student Scholarship
- 1989-92 Dean's Honor List, Arizona State University

5 Selected Statistics

- *h-index*: 41 <http://www.harzing.com/pop.htm>
- *g-index*: 93 <http://www.harzing.com/pop.htm>
- *CiteSeer author rank*: 2,614 out of over 800,000 <http://citeseerx.ist.psu.edu/>
- *Most cited paper*: 1,849 citations, paper J19 below <http://scholar.google.com/>

6 Graduated Doctoral Students

- Daniel Popescu, November 2011
currently a Software Engineer at Google
- David Woollard, January 2011
currently a Software Engineering Manager at Vdio
formerly a Senior Computer Scientist at JPL
- George Edwards, July 2010
currently founder and Chief Engineer at Blue Cell Software
- Chiyoung Seo, May 2008
currently a Software Engineer at Couchbase
formerly a Senior Software Development Engineer at Yahoo
- Yuriy Brun, March 2008
currently a *Computing Innovation (CI) Post-Doctoral Fellow* at University of Washington
- Chris Mattmann, August 2007
currently a Senior Computer Scientist at JPL and an *Adjunct Assistant Professor* at USC
- Sam Malek, May 2007
currently an *Assistant Professor* at George Mason University
- Roshanak Roshandel, December 2006
currently an *Associate Professor* at Seattle University
- Nikunj R. Mehta, September 2004
currently a Software Architect at C3
formerly a Consulting Member of Technical Staff at Oracle
- Marija Mikic-Rakic, July 2004
currently Manager, Software Engineering at Google

7 Publications

Authored Books

AB1 Richard N. Taylor, **Nenad Medvidovic**, and Eric M. Dashofy. “Software Architecture: Foundations, Theory, and Practice.” *John Wiley & Sons*, January 2009, 736 pages.
ISBN-10: 0470167742. ISBN-13: 978-0470167748.

Edited Books

EB2 Harald Gall and **Nenad Medvidovic**, eds. “Proceedings of the 33rd International Conference on Software Engineering (ICSE 2011).” ACM, May 2011.

EB3 Fabrice Saffre, **Nenad Medvidovic**, and Alberto Montresor, eds. “Proceedings of the 3rd International Conference on Self-Adaptive and Self-Organizing Systems.” IEEE Computer Society, September 2009.

EB4 **Nenad Medvidovic** and Tetsuo Tamai, eds. “Proceedings of the Warm Up Workshop for the 32nd International Conference on Software Engineering.” ACM, April 2009.

EB5 Robert Nord, **Nenad Medvidovic**, Rene Krikhaar, Judith Stafford, Jan Bosch, eds. “Proceedings of the 5th Working IEEE/IFIP Conference on Software Architecture.” *IEEE Computer Society*, March 2006.

Refereed Journal Articles

J1 Chris A. Mattmann, **Nenad Medvidovic**, Sam Malek, George Edwards, and Somo Banerjee. “A Middleware Platform for Providing Mobile and Embedded Computing Instruction to Software Engineering Students.” *IEEE Transactions on Education*. Accepted – to appear.

J2 Sam Malek, **Nenad Medvidovic**, and Marija Mikic-Rakic. “An Extensible Framework for Improving a Distributed Software System's Deployment Architecture.” *IEEE Transactions on Software Engineering*, vol. 38, no. 1 (January/February 2012).

J3 **Nenad Medvidovic**, Hossein Tajalli, Joshua Garcia, Yuriy Brun, Ivo Krka, and George Edwards. “Engineering Heterogeneous Robotics Systems: A Software Architecture-Based Approach”. *IEEE Computer*, vol. 44, no. 5 (May 2011).

8 Research Support

Current Support

- G1** National Science Foundation — Software and Hardware Foundations
Sole PI
 “Automating the Detection of Architectural Degradation in Software Systems”
 Duration: 8/01/11-7/31/14
 Grant Number: 1117593
 Award Amount: \$250,000
- G2** Infosys Technologies Ltd.
Sole PI
 “CoDesign – A Collaborative Software Design Environment”
 Duration: 10/1/11-9/30/13
 Award Amount: \$200,000
- G3** Northrop Grumman
Sole PI
 “Exploring Design Alternatives in Software-Intensive Projects”
 Duration: 8/16/2011-5/15/2012
 Award Amount: \$10,000
- G4** National Science Foundation — Software and Hardware Foundations
Lead PI
 “Early Reliability Modeling and Prediction of Embedded Software Systems”
 Duration: 3/01/10-8/31/12
 Co-PIs: Leana Golubchik, USC
 Gaurav Sukhatme, USC
 Grant Number: 0905665
 Award Amount: \$210,000

Past Support

- G5** Stevens Institute of Technology — Systems Engineering Research Center
Sole PI
“Requirements for Net-Centric Enterprises (RT-25)”
Duration: 10/1/10-12/31/11
Award Amount: \$270,298
- G6** National Science Foundation — Software for Real-World Systems
Sole PI at USC; collaborative proposal with UC Irvine
“Recombinant Services – Recasting the Web for Continuously Evolving Systems”
Duration: 9/15/08-8/31/11
Grant Number: 0820170
Award Amount: \$193,670
- G7** Office of Secretary of Defense — UAST
Sole PI; subcontract to MIT
“A Prescriptive and Adaptive Testing Framework (PATFrame) for Unmanned and Autonomous Systems of Systems”
Duration: 10/1/09-9/30/10
Co-PIs: Ricardo Valerdi, MIT
Susan Ferreira, University of Texas at Arlington
Dan Ligett, SoftStar Systems
Subcontract Amount: \$128,649
- G8** Infosys Technologies Ltd.
Sole PI
“An Extensible Infrastructure for Collaborative Architecture-Based Development of Distributed Software-Intensive Systems”
Duration: 9/1/08-12/31/10
Grant Number: 0208
Award Amount: \$200,000
- G9** Jet Propulsion Laboratory — SURP
Co-PI
“Reconfigurable Software for Recovering from Component Failures in Long Duration Missions”
Duration: 9/1/09-5/31/10
Co-PIs: Gaurav Sukhatme, USC (co-PI)
Award Amount: \$75,000
- G10** National Institutes of Health
Co-PI
“Mobile Device Biomonitoring to Prevent and Treat Obesity in Underserved Minority Youth”
Duration: 8/1/08-7/31/10
Co-PIs: Donna Spruijt-Metz, USC (lead PI)
Murali Annavaram, USC
Urbashi Mitra, USC
Shrikanth Narayanan, USC
Gaurav Sukhatme, USC
Award Amount: \$948,348

- G11** Robert Bosch
Sole PI
“Software Architectural Support for Embedded Systems”
Duration: 3/1/06-5/31/09
Award Amount: \$470,000
- G12** National Science Foundation — Information Technology Research
Sole PI
“Software Architectural Support for Programming-in-the-Small-and-Many”
Duration: 9/1/03-8/31/09
Grant Number: 0312780
Award Amount: \$448,000
- G13** National Science Foundation — Computer Systems Research
Lead PI
“Engineering Reliability into Hybrid Systems: A Compositional and Hierarchical Approach”
Duration: 8/01/07-7/31/09
Co-PIs: Leana Golubchik, USC
Grant Number: 0720612
Award Amount: \$40,000
- G14** U.S. Army
Co-PI
“Future Combat Systems Software Definition, Design, Development, and Deployment”
Duration: 1/1/08-12/31/08
Co-PIs: Barry Boehm (lead PI)
Award Amount: \$425,000
- G15** IBM Real-Time Innovation
Sole PI
“Prism-RT: A Java-Based Architectural Middleware Platform for Real-Time Embedded Systems”
Duration: 12/1/2007-12/31/08
Award Amount: \$20,000
- G16** National Science Foundation — Science of Design
Co-PI
“Value-Based Science of Design”
Duration: 12/15/04-11/30/08
Co-PIs: Barry W. Boehm, USC (lead PI)
Ray Madachy
Grant Number: 0438931
Award Amount: \$400,000
- G17** National Science Foundation — Computer Systems Research
Lead PI
“Engineering Reliability Into Hybrid Systems via Rich Design Models”
Duration: 7/1/05-6/30/07
Co-PIs: Leana Golubchik, USC
Grant Number: 0509539
Award Amount: \$100,000

- G18** National Science Foundation — Federal Cyber Service: Scholarship for Service
Co-PI
“An Innovative Information Assurance and Security Technology Capacity Development and Outreach Program”
Duration: 8/1/04-7/31/07
Co-PIs: Leana Golubchik, USC (lead PI)
B. Clifford Neuman, USC
Gerard Medioni, USC
Grant Number: 0417274
Award Amount: \$300,000
- G19** Okawa Research Foundation
Sole PI
“The GridLite DREAM: Bringing the Grid to Your Pocket”
Duration: 10/1/05-9/30/06
Award Amount: \$10,000
- G20** Boeing
Sole PI
“C4ISR SADD Development Assistance (FCS)”
Duration: 10/1/05-3/31/06
Award Amount: \$100,000
- G21** Jet Propulsion Laboratory
Sole PI
“Software Connectors for Data Distribution”
Duration: 7/1/05-8/31/05
Award Amount: \$18,144
- G22** NASA High-Dependability Computing Consortium
Co-PI
“Empirical Research on High Dependability Computing”
Duration: 4/1/01-3/31/06
Co-PIs: Barry W. Boehm, USC (lead PI)
Award Amount: \$2,500,000
- G23** National Science Foundation — CAREER
Sole PI
“Architecture-Based Support for Software Application Families”
Duration: 7/1/00-6/30/05
Grant Number: 9985441
Award Amount: \$241,000
- G24** Boeing
Sole PI
“Software Architecture-Based Development of Product Lines for the Tactical Radio Domain”
Duration: 1/1/04-12/31/04
Award Amount: \$57,500

- G25** Jet Propulsion Laboratory
Sole PI
 “Extensible Architectural Technology for Managing Complex Space Data Systems”
 Duration: 11/1/03-8/31/04
 Contract Number: 579951
 Award Amount: \$50,000
- G26** DARPA/ISO — DASADA
Lead PI
 “Dynamic Assembly, Assessment, Assurance, and Adaptation via Heterogeneous Software Connectors”
 Duration: 7/1/00-10/31/03
 Co-PIs: Barry W. Boehm, USC
 Contract Number: F30602-00-2-0615
 Award Amount: \$460,000
- G27** Jet Propulsion Laboratory
Sole PI
 “Relating State-Based and Component/Connector-Based Architectural Styles”
 Duration: 8/1/00-8/31/03
 Contract Number: 1219801
 Award Amount: \$95,672
- G28** U.S. Army Tank-Automotive and Armaments Command
Sole PI
 “COTS Components and Connectors”
 Duration: 9/1/01-3/31/03
 Contract Number: 1400508
 Award Amount: \$68,350
- G29** Xerox Corporation
Sole PI
 “Architecting Application Families”
 Duration: 9/1/00-8/31/02
 Award Amount: \$60,000
- G30** Intel Corporation
Lead PI
 “Embedded Systems Lab: A Teaching and Research Facility”
 Award Date: July 2001, July 2002
 Co-PIs: Gaurav Sukhatme, USC
 Award Amount: \$95,000 (in equipment and cash)
- G31** DARPA/ITO — RENES
Sole PI; subcontract to UC Irvine
 “Architecture-Centric Dynamic Adaptation of Deeply Networked Embedded Systems”
 Duration: 9/23/99-1/22/01
 Co-PIs: Richard N. Taylor, UC Irvine
 David Rosenblum, UC Irvine
 Michael Gorlick, Aerospace Corporation
 Dennis Heimbigner, University of Colorado at Boulder
 Contract Number: F30602-99-C-0174
 Subcontract Amount: \$92,500

9 Patents

- 7/2011 “Method and Apparatus for Simulation of Domain-Specific Models”
U.S. Provisional Patent Application 61/513,357
- 11/2010 “CoDesign: A Highly Extensible Collaborative Software Modeling Framework”
U.S. Provisional Patent Application 61/392,190
- 10/2007 “Tile Architectural Style”
U.S. Provisional Patent Application 60/982,617

10 Teaching

University of Southern California

Courses Developed and Taught

- T1** CSCI 578 — Software Architectures
Graduate-level course, a core course for the M.S. specialization in Software Engineering
Spring 1999, 2000, 2001, 2002, 2004, 2005, 2007, 2008, 2009, 2010, 2011, 2012;
Fall 2008, 2009, 2010, 2011
Syllabus available at http://sunset.usc.edu/classes/cs578_2012/
- T2** CSCI 589 — Software Engineering for Embedded Systems
Graduate-level course
Fall 2001, 2002, 2003, 2004, 2006, 2007
Syllabus available at http://sunset.usc.edu/classes/cs589_2007/
- T3** CSCI 499 — Modeling Software-Intensive Systems
Upper-division undergraduate / lower-division graduate seminar
Spring 2011
Syllabus available at http://sunset.usc.edu/classes/cs499_2011/
- T4** CSCI 377 — Introduction to Software Engineering
Upper-division undergraduate course
Fall 2004, 2006, 2007, 2008, 2009
Added as a required course for the CS and CECS B.S. degrees
Syllabus available at http://sunset.usc.edu/classes/cs377_2009/
- T5** CSCI 599 — Formal Methods in Software Architectures
Graduate seminar
Fall 2000
Syllabus available at http://sunset.usc.edu/classes/cs599_2000/
- T6** CSCI 599 — Current Issues in Software Architectures
Graduate seminar
Fall 1999
Syllabus available at http://sunset.usc.edu/classes/cs599_99b/

Courses Developed

- T7** CSCI 568 — Requirements Engineering
Graduate-level course, a core course for the Certificate in Software Architecture
Syllabus available at <http://sunset.usc.edu/~nenoc/cs568.htm>

Courses Taught

- T8** CSCI 477 — Design and Construction of Large Software Systems
Upper division undergraduate / lower-division graduate course
Spring 2003
Syllabus available at http://sunset.usc.edu/classes/cs477_2003/

Other Universities

- T9** Software Architectures
Universidad Politécnica de Madrid, Spain
Graduate course
March 2011
One-week course, part of the European Master of Software Engineering program
- T10** Advanced Software Architectures
Politecnico di Milano, Italy
Graduate course
July 2010
Two-week course, part of PoliMi's Ph.D. program
- T11** Software Architecture
University of Buenos Aires, Argentina
Graduate course
August 2009
One-week course, part of UBA's Winter School
- T12** NSEN 6111 — Software Architectures
Walden University, USA
Graduate online course
Spring 2008
Co-taught with Richard N. Taylor and Eric Dashofy

Industry

- T13** Software Architecture
Infosys Technologies Ltd., Mysore, India
3-week professional development course
December 2009
Co-Taught with Richard N. Taylor, UC Irvine
- T14** Software Architectures
Jet Propulsion Laboratory, Pasadena, CA
10-week professional development course
Spring 2001, 2002; Summer 2001, 2002

Teaching Assistantships

- T15** ICS 121 — Introduction to Software Engineering
Junior/senior-level undergraduate course (Summer 1994)
University of California, Irvine
- T16** ICS 141 — Programming Languages
Junior/senior-level undergraduate course (Spring 1994)
University of California, Irvine

- T17** ICS 52 — Systematic Software Construction
 Sophomore-level undergraduate course (Fall 1993, Winter 1994)
 University of California, Irvine
- T18** CSE 460/598 — Software Project Management and Development I
 Senior-level undergraduate course (Fall 1992, Spring 1993, Summer 1993)
 Arizona State University

11 Supervised Students

Doctoral Students – Advisor

- James Alstad
 Start Date: August 2011
- Jae young Bang
 Start date: August 2010
- Joshua Garcia
 Start date: August 2006
 Passed Qualifying Examination in April 2011
- Himanshu Joshi
 Start date: August 2007; leave of absence
- Ivo Krka
 Start date: August 2007
 Passed Qualifying Examination in December 2011
- Chanin Laohaphan
 Start date: August 2010
- Gholamreza Safi
 Start date: August 2010
- Hossein Tajalli
 Start date: August 2008
 Passed Qualifying Examination in January 2012

Doctoral Students – Dissertation Committee Member

Current

- Mohammad-Mirza Aghatabar
- Pongtip Aroonvatanaporn
- Ragy Eleish
- Alessio Gambi, University of Lugano, Switzerland
- Jinwoo Kim
- Yoon-Ju Lee
- Qi Li
- Ali Malik
- Chris Miles, Naval Postgraduate School
- Ramin Moazeni
- Muhammad Murtaza
- Daniel Ingold

- David Naffin
- Thomas Tan
- Barry W. Werger
- Di Wu
- Marcos Vieira
- Jason Yap

Graduated

- Marwan Abi-Antoun, CMU
- Mohamed Al Said
- Jesper Andersson, Linkoping University, Sweden
- Adi Azar
- Jongmoon Baik
- Jesal Bhuta
- Yue Chen
- Zhihao Chen
- Hugo Cheung
- Leslie Cheung
- Kun Young Chung
- Eric Dashofy, UC Irvine
- Shirin Ebrahimi-Taghizadeh
- Alexander Egyed
- I-De Huang
- LiGuo Huang
- Shahdad Irajpour
- Hasan Kitapci
- In-Young Ko
- Supannika Koolmanojwong
- Alexander Lam
- DeWitt Lattimer
- Joo H. Lee
- Keun Lee
- Vu Nguyen
- Gustavo Perez
- Monvorath Phongpaibul
- Shideh Shahidi
- Doochul Shin
- Giordano Tamburrelli, Politecnico di Milano, Italy
- Shahzad Tiwana
- Dan Wu
- Ye Yang

Masters Students

Current

- Sheryl John
- Armagan Kilic
- Sean McCleese

Graduated

- Ian Elston
- John Morse
- Marwan Abi-Antoun
- Raghbir Banwait
- Miheer Bhachech
- Ebru Dincel
- Lei Ding
- Brian D'Souza
- Prakash Gupta
- Himanshu Joshi
- Vishal Kudchadkar
- Suhas Mehta
- Mahindra Pai
- Sandeep Phadke
- Aliasgar Rampurwala
- Vinaynathan Viswanathan
- Michael Wakerly
- Dongwoo Won
- David Woollard

Undergraduate Students

Graduated

- Nels Beckman
- Morgan Brown
- Vanessa Carson
- Charles DeBergh
- Joshua Garcia
- Trevor Johns
- Yi (Nick) Kuang
- Jerry Lin

12 Formal Presentations

Academic Conference Presentations

- P1** *A Framework for Maintaining a Distributed Software System's QoS*. Computer Science Department Annual Research Review, USC, Los Angeles, March 2010.
- P2** *The Impact of Architectural Design Decisions on Non-Functional Properties of Software Systems*. OOP 2010 – Software Engineering and Management Conference, Munich, Germany, January 2010.
- P3** *A Framework for Modeling Software Product Lines*. OOP 2010 – Software Engineering and Management Conference, Munich, Germany, January 2010.
- P4** *LVC Software Architecture Support for PATFrame*. International Test and Evaluation Association (ITEA) Live Virtual Constructive Conference, El Paso, TX, January 2010.
- P5** *The Anatomy and Physiology of the Grid Revisited*. IEEE/CSSE/ISR Workshop on Software Architecture Challenges for the 21st Century, Los Angeles, CA, June 2009.
- P6** *Center for Systems and Software Engineering Overview*. IEEE/CSSE/ISR Workshop on Software Architecture Challenges for the 21st Century, Los Angeles, CA, June 2009.
- P7** *Architecture-Based Software Development of Mobile and Embedded Systems*. 2nd International ICSE Warm-up Workshop (WUP 2009), Cape Town, South Africa, April 2009.
- P8** *Service-Oriented Architectures*. 13th Ground System Architectures Workshop (GSAW 2009), Torrance, CA, March 2009.
- P9** *Architecture and Mobile/Embedded Systems – An Uneasy Alliance or a Marriage Made in Heaven*. USC-CSSE Annual Research Review Executive Workshop, Los Angeles CA, March 2009.
- P10** *Software Architecture Modeling with Uncertainty*. AADL Workshop, Los Angeles, CA, February 2009.
- P11** *Architecture and Hardware/Software/System Engineering Integration*. USC-CSSE COCOMO Workshop, Los Angeles, CA, October 2008.
- P12** *Runtime Software Adaptation: Framework, Approaches, and Styles*. (with Peyman Oreizy and Richard N. Taylor) 30th International Conference on Software Engineering (ICSE 2008), Leipzig, Germany, May 2008.
- P13** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance – Keynote Talk*. International Workshop on Software Architectures and Mobility (SAM 2008), Leipzig, Germany, May 2008.
- P14** *Estimating the Energy Consumption in Pervasive Java-Based Systems*. 6th IEEE International Conference on Pervasive Computing and Communications (PerCom 2008), Hong Kong, March 2008.
- P15** *An Introduction to Architecture-Level Reliability Analysis*. Tutorial, with Roshanak Roshandel, Working IEEE/IFIP Conference on Software Architecture (WICSA), Vancouver, Canada, February 2008.
- P16** *Software Architectures and Embedded Systems*. Korean Computer Scientists and Engineers Association in America, University of Southern California, Los Angeles, CA, December 2007.

- P17** *Moving Architectural Description from Under the Technology Lamppost – Keynote Talk.* Brazilian Symposium on Software Components, Architectures, and Reuse (SBCARS 2007), Campinas, Brazil, August 2007.
- P18** *Improving a Distributed Software System’s Quality of Service via Architecture-Driven Dynamic Redeployment.* Tutorial, Brazilian Symposium on Software Components, Architectures, and Reuse (SBCARS 2007), Campinas, Brazil, August 2007.
- P19** *Construction of Analytic Frameworks for Component-Based Architectures.* Brazilian Symposium on Software Components, Architectures, and Reuse (SBCARS 2007), Campinas, Brazil, August 2007.
- P20** *From Dependable Architectures to Dependable Systems.* USC-CSSE Annual Research Review, Los Angeles, CA, February 2007.
- P21** *Moving Architectural Description from Under the Technology Lamppost – Keynote Talk.* 32nd EUROMICRO Conference on Software Engineering and Advanced Applications (EUROMICRO’06), Dubrovnik, Croatia, August, 2006.
- P22** *A Classification of Disconnected Operation Techniques.* 32nd EUROMICRO Conference on Software Engineering and Advanced Applications (EUROMICRO’06), Dubrovnik, Croatia, August, 2006.
- P23** *Improving a Distributed Software System’s Quality of Service via Redeployment.* Workshop on State of the Art in Software Engineering, Rutgers University, New Brunswick, NJ, June 2006.
- P24** *The GridLite DREAM: Bringing the Grid to Your Pocket.* Monterey Workshop, Laguna Beach, CA, September 22-23, 2005.
- P25** *A View from the Trenches.* ICSE 2005 New Software Engineering Faculty Symposium, St. Louis, MO, May 2005.
- P26** *Modeling Behavior in Compositions of Software Architectural Primitives.* 19th IEEE International Conference on Automated Software Engineering (ASE 2004), Linz, Austria, September 2004.
- P27** *From Dependable Architectures to Dependable Systems – Keynote Talk.* Workshop on Architecting Dependable Systems (WADS 2004) held in conjunction with the International Conference on Dependable Systems and Networks (DSN 2004), Florence, Italy, June 2004.
- P28** *Toward Architecture-Based Reliability Estimation.* Workshop on Architecting Dependable Systems (WADS 2004) held in conjunction with the International Conference on Dependable Systems and Networks (DSN 2004), Florence, Italy, June 2004.
- P29** *Style-Based Software Architectural Compositions as Domain-Specific Models.* Workshop on Directions in Software Engineering Environments (WoDiSEE 2004), Edinburgh, UK, May 2004.
- P30** *Software Architectures and Embedded Systems.* Monterey Workshop on Software Engineering for Embedded Systems: From Requirements to Implementation, Chicago, IL, September 2003.
- P31** *Coupling Architectural Discovery and Recovery to Stem Architectural Erosion.* Dagstuhl Workshop on Software Architecture Recovery and Modeling (SWARM), Dagstuhl, Germany, February 2003.
- P32** *A Family of Software Architecture Implementation Frameworks.* 2002 Working IEEE/IFIP Conference on Software Architectures (WICSA-3), Montreal, Canada, August 2002.

- P33** *On the Role of Middleware in Architecture-Based Software Development*. 14th International Conference on Software Engineering and Knowledge Engineering (SEKE 2002), Ischia, Italy, July 2002.
- P34** *Architecture-Level Support for Software Component Deployment in Resource Constrained Environments*. IFIP/ACM Working Conference on Component Deployment (CD 2002), Berlin, Germany, June 2002.
- P35** *Focus: A Light-Weight, Incremental Approach to Software Architecture Recovery and Evolution*. 2001 Working IEEE/IFIP Conference on Software Architectures (WICSA-2), Amsterdam, the Netherlands, August 2001.
- P36** *Software Model Connectors: Bridging Models across the Software Lifecycle*. 13th International Conference on Software Engineering and Knowledge Engineering (SEKE 2001), Buenos Aires, Argentina, June 2001.
- P37** *What Young Faculty Members Still Want to Know*. ICSE 2001 New Software Engineering Faculty Symposium, Toronto, Canada, May 2001.
- P38** *Exploiting Software Architecture Implementation Infrastructure in Facilitating Component Mobility*. ICSE 2001 Workshop on Software Engineering and Mobility, Toronto, Canada, May 2001.
- P39** *xADL: Enabling Architecture-Centric Tool Integration With XML*. 34th Hawaii International Conference on System Sciences (HICSS-34), Maui, Hawaii, January 2001.
- P40** *Programming in the Small and Many: A Software Engineering Research Agenda for the 21st Century*. 2000 ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE-8), Wild Ideas and Fun Flames, San Diego, CA, November 2000.
- P41** *Towards Software Multioperability: Bridging Heterogeneous Software Interoperability Platforms*. Fourth International Software Architecture Workshop (ISAW-4), Limerick, Ireland, June 2000.
- P42** *Using Off-the-Shelf Middleware to Implement Connectors in Distributed Software Architectures*. 21st International Conference on Software Engineering (ICSE'99), Los Angeles, CA, May 1999.
- P43** *A Language and Environment for Architecture-Based Software Development and Evolution*. 21st International Conference on Software Engineering (ICSE'99), Los Angeles, CA, May 1999.
- P44** *Modeling Software Architectures in UML*. Workshop on Software Architectures and the Unified Modeling Language, Denver, CO, April 1999.
- P45** *An Approach to Architecture-Based Software Integration*. Ground System Architectures Workshop (GSAW 99), El Segundo, CA, March 1999.
- P46** *Assessing the Suitability of a Standard Design Method for Modeling Software Architectures*. First Working IFIP Conference on Software Architecture, San Antonio, TX, February 1999.
- P47** *A Comparative Analysis of Architecture Description Languages*. USC-CSE Annual Research Review, Los Angeles, CA, February 1999.
- P48** *Assessing UML's Suitability for Modeling Software Architectures*. USC-CSE Annual Research Review, Los Angeles, CA, February 1999.
- P49** *Employing Off-the-Shelf Connector Technologies in C2-Style Architectures*. California Software Symposium (CSS'98), Irvine, CA, October 1998.

- P50** *An Architecture-Based Approach to Software Evolution.* International Workshop on the Principles of Software Evolution, Kyoto, Japan, April 1998.
- P51** *Domains of Concern in Software Architectures and Architecture Description Languages.* USENIX Conference on Domain-Specific Languages, Santa Barbara, CA, October 1997.
- P52** *A Framework for Classifying and Comparing Architecture Description Languages.* Sixth European Software Engineering Conference together with the Fifth ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE'97), Zurich, Switzerland, September 1997.
- P53** *Reuse of Off-the-Shelf Components in C2-Style Architectures.* 1997 Symposium on Software Reusability (SSR'97) and 1997 International Conference on Software Engineering (ICSE'97), joint session on Software Reuse, Boston, MA, May 1997.
- P54** *Reusing Off-the-Shelf Components to Develop a Family of Applications in the C2 Architectural Style.* First International Workshop on Development and Evolution of Software Architectures for Product Families, Las Navas del Marqués, Spain, November 1996.
- P55** *ADLs and Dynamic Architecture Changes.* Second International Software Architecture Workshop (ISAW-2), San Francisco, CA, October 1996.
- P56** *Using Object-Oriented Typing to Support Architectural Design in the C2 Style.* Fourth ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE4), San Francisco, CA, October 1996.
- P57** *Formal Modeling of Software Architectures at Multiple Levels of Abstraction.* California Software Symposium, Los Angeles, CA, April 1996.
- P58** *A Component- and Message-Based Architectural Style for GUI Software.* Technology Presentation Track, 17th International Conference on Software Engineering (ICSE17), Seattle, WA, April 1995.

University and Research Institute Presentations

- P59** *Academic Career Work-Life Balance – A View from the Trenches.* University of Southern California, April 2011.
- P60** *Overview of Software Engineering Research at USC.* University of Southern California, Computer Science Research Day, March 2011.
- P61** *A Framework for Early Estimation of Software System Reliability.* University of California, San Diego, February 2011.
- P62** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance?* University College, London, UK, October 2010.
- P63** *A Framework for Early Estimation of Software System Reliability.* University of Zurich, Switzerland, September 2010.
- P64** *The Future of Software Architecture: Challenges and Opportunities.* Federal University of Bahia, Salvador, Brazil, August 2010.
- P65** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance?* Federal University of Rio de Janeiro, Brazil, August 2010.
- P66** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance?* Pontificia Universidade Católica do Rio de Janeiro, August 2010.

- P67** *A Framework for Early Estimation of Software System Reliability*. Georgia Institute of Technology, Atlanta, GA, April 2010.
- P68** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance*. Institute for Software Research, Distinguished Speaker Series, University of California, Irvine, February 2010.
- P69** *Improving a Distributed Software System's Quality of Service via Architecture-Driven Dynamic Redeployment*. Institute for Software Research Forum, University of California, Irvine, June 2007.
- P70** *Dynamic Software Architectures*. Jesper Andersson Dissertation Defense Opponent, Linköping University, Sweden, April 2007.
- P71** *From Dependable Architectures to Dependable Systems*. USC-CSE Annual Research Review, Los Angeles, CA, February 2007.
- P72** *Moving Architectural Description from Under the Technology Lamppost*. USC Center for Systems and Software Engineering Convocation, October 2006.
- P73** *Endowing Legacy Applications with Software Architectural Capabilities*. University of Southern California – Information Sciences Institute, Marina del Rey, CA, October 2006.
- P74** *The Prism Project: Software Architectural Support for Highly Distributed Environments*. Bosch Research and Technology Center, Palo Alto, CA, January 2006.
- P75** *Coupling Architectural Discovery and Recovery to Stem Architectural Erosion*. USC-CSE Annual Research Review, Los Angeles, CA, March 2003.
- P76** *Exploiting Architectural Style, Connectors, and Types in Large-Scale Software Development and Evolution*. University of Texas, Austin, TX, April 2001.
- P77** *An Architecture-Based Approach to Developing Heterogeneous, Highly Distributed Software Systems*. University of Southern California – Information Sciences Institute, Marina del Rey, CA, February 2001.
- P78** *Programming in the Many: Software Engineering Paradigm for the 21st Century*. USC-CSE Annual Research Review, Los Angeles, CA, February 2001.
- P79** *An Architecture-Based Approach to Developing Heterogeneous, Highly Distributed Software Systems*. University of Washington, Seattle, WA, January 2001.
- P80** *From Programming in the Large to Programming in the Small and Many*. University of California, Santa Cruz, CA, October 2000.
- P81** *Exploiting Architectural Style, Connectors, and Types in Large-Scale Software Development and Evolution*. Rice University, Houston, TX, September 2000.
- P82** *SAAGE – An Environment for Software Architecture, Analysis, Generation, and Evolution*. USC-CSE Annual Research Review, Los Angeles, CA, February 2000.
- P83** *A Style-Based Approach to the Design and Evolution of Adaptable Software*. University of Texas, Austin, TX, November 1997.

Industry and Funding Agency Presentations

- P84** *sTile: Securing the Insecure Cloud*. CIA, Washington, DC, November 2011.
- P85** *sTile: Securing the Insecure Cloud*. DARPA, Arlington, VA, June 2011.

- P86** *Desiderata and Challenges in Globally-Distributed Software Development*. Infosys Aurora, Las Vegas, NV, August 2011.
- P87** *Modern Software Architectural Challenges: Dynamism, Mobility, Services, Grids, and Clouds*. Aerospace Corporation, El Segundo, CA, November 2010.
- P88** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance?* Northrop Grumman, Los Angeles, CA, September 2010.
- P89** *Software Architecture and Mobility: A Perfect Marriage or an Uneasy Alliance?* Infosys, Bangalore, India, December 2009.
- P90** *Software Architecture Support for PATFrame*. PATFrame project kick-off meeting, Ft. Hood, TX, August 2009.
- P91** *An Extensible Infrastructure for Collaborative Architecture-Based Development of Distributed Software-Intensive Systems*. Infosys site visit, April 2009.
- P92** *Architecture and Hardware/Software/System Engineering Integration*. Lockheed Martin Site Visit, Los Angeles, CA, December 2008.
- P93** *An Extensible Infrastructure for Collaborative Architecture-Based Development of Distributed Software-Intensive Systems*. Infosys project progress meeting, August 2008.
- P94** *An Extensible Infrastructure for Collaborative Architecture-Based Development of Distributed Software-Intensive Systems*. Infosys project kick-off meeting, August 2008.
- P95** *Architecture-Based Modeling and Simulation*. Boeing Professor Day, Seal Beach, CA, February 2008.
- P96** *Overview of Software Architecture Research at USC*. Bosch Research and Technology Center, Palo Alto, CA, January 2007.
- P97** *Identifying and Addressing Uncertainty in Architecture-Level Software Reliability Modeling*. NSF Next Generation Software Program (NSFNCS) Workshop, Long Beach, CA, February 2007.
- P98** *Multi-Framework Programming via Software Architecture and Architectural Middleware*. DARPA Multi-Framework Programming Workshop, Menlo Park, CA, August 2007.
- P99** *Overview of Software Architecture Research at USC*. USC Computer Science Department Industrial Advisory Board Meeting, Los Angeles, CA, April 2006.
- P100** *Overview of Software Architecture Research at USC*. General Electric Site Visit, Los Angeles, CA, February 2006.
- P101** *Software Architecture for DREAM Environments*. Jet Propulsion Laboratory, Pasadena, CA, January 2005.
- P102** *DeSi - An Environment for Modeling, Analyzing, and Simulating Deployment Architectures*. Boeing, Anaheim, November 2004.
- P103** *Overview of Software Architecture Research at USC*. Northrop Grumman Site Visit, Los Angeles, CA, April 2004.
- P104** *Overview of Software Architecture Research at USC*. Microsoft Site Visit, Los Angeles, CA, March 2004.
- P105** *Overview of Software Architecture Research at USC*. Airbus Site Visit, Los Angeles, CA, February 2004.

- P106** *DeSi - A Tailorable Environment for Assessing the Quality of Distributed Software Architectures*. Jet Propulsion Laboratory, Pasadena, CA, January 2004.
- P107** *Overview of Software Engineering Research at USC*. Boeing Site Visit, Los Angeles, CA, November 2003.
- P108** *Software Architecture Research at USC-CSE: An Overview*. Jet Propulsion Laboratory Site Visit, Los Angeles, CA, September 2003.
- P109** *Software Architectures and Self-Healing Systems*. Boeing, Anaheim, CA, May 2003.
- P110** *Software Architectures and Self-Healing Systems*. Boeing-DARPA Future Combat Systems Meeting, Boeing, Anaheim, CA, September 2002.
- P111** *Software Connectors for Programming-in-the-Many*. Boeing, Seattle, WA, November 2001.
- P112** *Software Architecture Collaboration between JPL and USC*. Jet Propulsion Laboratory, Pasadena, CA, September 2001.
- P113** *Relating State-Based and Component/Connector-Based Architectural Styles: Technical Project Review*. Jet Propulsion Laboratory, Pasadena, CA, August 2001.
- P114** *Architectural Support for Programming-in-the-Many*. U.S. Army Tank-Automotive and Armaments Command (TACOM), Detroit, MI, July 2001.
- P115** *Software Architecture Research at USC: Programming in the Large and Many*. Xerox Corporation, El Segundo, CA, January 2001.
- P116** *From Programming in the Large to Programming in the Small and Many*. Microsoft USC Site Visit, Los Angeles, December 2000.
- P117** *Software Architecture at USC and JPL*. Jet Propulsion Laboratory, Pasadena, CA, October 2000.
- P118** *Programming in the Small, Large, and Many*. Xerox Corporation, El Segundo, CA, October 2000.
- P119** *Programming in the Small, Large, and Many*. Schlumberger Corporation, Houston, TX, September 2000.
- P120** *Dynamic Assembly, Assessment, Assurance, and Adaptation via Heterogeneous Software Connectors*. DARPA/ISO DASADA Project Kick-off Meeting, Santa Fe, NM, September 2000.
- P121** *UML and Software Architectures*. DARPA/ISO DASADA Project Kick-off Meeting, Santa Fe, NM, September 2000.
- P122** *An Approach to Architecture-Based Software Development and Evolution*. Jet Propulsion Laboratory, Pasadena, CA, May 2000.
- P123** *SAAGE — An Environment for Software Architecture, Analysis, Generation, and Evolution*. Lockheed Martin USC Site Visit, Los Angeles, CA, May 2000.
- P124** *On the Role of UML in Modeling Software Architectures*. Southern California Software Process Improvement Network, Long Beach, CA, April 2000.
- P125** *Software Architecture Research and Practice*. Jet Propulsion Laboratory, Pasadena, CA, April 2000.
- P126** *Architecture-Centric Dynamic Adaptation of Deeply Networked Embedded Systems*. DARPA/ITO RENES Project Kick-off Meeting, Arlington, VA, November 1999.

- P127** *Software Architecture Research and Practice*. NSF Software Engineering Strategies Workshop Briefing, National Science Foundation, Arlington, VA, September 1999.
- P128** *Assessing the Suitability of UML for Modeling Software Architectures*. Bay Area Round Table (BART), Palo Alto, CA, July 1999.
- P129** *A Classification and Comparison Framework for Software Architecture Description Languages*. Second DARPA EDCS Architecture/Generation Workshop, Santa Fe, NM, April 1997.
- P130** *Component-Based GUI Architecture*. Hughes Aircraft Corp., El Segundo, CA, January 1997.
- P131** *What's New with C2?* Arcadia Research Meeting, Portland, OR, August 1996.
- P132** *Chiron-2: A Component- and Message-Based Architectural Style for GUI Software*. Sun Microsystems Laboratories, Palo Alto, CA, June 1995.
- P133** *Chiron-2: A Component- and Message-Based Architectural Style for GUI Software*. Bay Area Round Table (BART), Palo Alto, CA, June 1995.

13 Professional Service

Editorial Boards and Steering Committees

- S1** Associate Editor, IEEE Transactions on Software Engineering (1/10 - present)
- S2** Associate Editor, Journal of Software Engineering for Robotics (12/08 - present)
- S3** Guest Editor, Elsevier Journal of Systems and Software, The Future of Software Engineering FOR/IN the Cloud (7/11 - present)
- S4** Editorial Board Member, Springer Computing Journal (2/11 - present)
- S5** Editorial Board Member, Elsevier Journal of Systems and Software (1/11 - present)
- S6** Editorial Board Member, Elsevier Information and Software Technology Journal (1/08 - present)
- S7** Steering Committee Member, International Conference on Software Engineering (5/08 - present)
- S8** Steering Committee Member, Working IEEE/IFIP Conference on Software Architecture (1/05 - 2/08)

Conference/Workshop Chairmanship

- S9** Program Co-Chair, 15th International ACM SIGSOFT Symposium on Component Based Software Engineering (CBSE-2012), Bertinoro, Italy, June 2012.
- S10** Program Co-Chair, 33rd International Conference on Software Engineering (ICSE 2011), Honolulu, HI, May 2011
- S11** Program Co-Chair, Workshop on Software Engineering for Cloud Computing (SELOUD 2011), Honolulu, HI, May 2011

- S12** Program Co-Chair, 3rd IEEE International Conference on Self-Adaptive and Self-Organizing Systems (SASO 2009), San Francisco, CA, September 14-18, 2009
- S13** Workshop Co-Chair, IEEE/CSSE/ISE Workshop on Software Architecture Challenges for the 21st Century, Los Angeles, CA, June 2009
- S14** Program Co-Chair, 2nd International ICSE Warm-up Workshop (WUP 2009), Cape Town, South Africa, April 2009
- S15** Workshop Chair, USC-CSSE Annual Research Review and Executive Workshop, Los Angeles, CA, March 2009
- S16** Program Chair, Doctoral Symposium, 16th ACM SIGSOFT International Symposium on the Foundations of Software Engineering (FSE 16), Atlanta, GA, November 2008
- S17** Program Chair, Special Session on Software Architecture for Pervasive Systems (SAPS), 34th Euromicro Conference in Parma, Italy, September 3-5, 2008
- S18** Program Co-Chair, 2005 Working IEEE/IFIP Conference on Software Architecture (WICSA 2005), Pittsburgh, PA, November 2005
- S19** Chair, Executive Workshop on Model-Driven Architecture, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2005
- S20** Chair, Workshops, 26th International Conference on Software Engineering (ICSE 2004), Edinburgh, UK, May 2004
- S21** Co-Chair, Tutorials, 9th European Software Engineering Conference and 11th ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2003), Helsinki, Finland, September 2003
- S22** Chair, State-of-the-Art Track, 24th International Conference on Software Engineering (ICSE 2002), Orlando, FL, May 2002
- S23** Co-Chair, First International Workshop on Evaluating Software Architecture Solutions (WESAS), Irvine, CA, May 2000

Conference/Workshop Organization

- S24** Workshops Selection Committee Member, 8th Joint meeting of the European Software Engineering Conference and the ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2011), Szeged, Hungary, September 2011.
- S25** Technical Paper Session Chair, 12th European Software Engineering Conference and 17th ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2009), Amsterdam, the Netherlands, August 2009
- S26** Student Volunteer Coordinator, 30th International Conference on Software Engineering (ICSE 2008), Leipzig, Germany, May 2008
- S27** Technical Paper Session Chair, Working IEEE/IFIP Conference on Software Architecture (WICSA 2008), Vancouver, Canada, February 2008
- S28** E-Publicity Chair, 29th International Conference on Software Engineering (ICSE 2007), Minneapolis, MN, May 2007
- S29** Session Chair, USC Center for Systems and Software Engineering Convocation, Los Angeles, CA, October 2006

- S30** Panelist, New Software Engineering Faculty Symposium (NSEFS 05), 27th International Conference on Software Engineering (ICSE 2005), St. Louis, MO, May 2005
- S31** Technical Paper Session Chair, 19th IEEE International Conference on Automated Software Engineering (ASE 2004), Linz, Austria, September 2004
- S32** Session Organizer and Chair, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2004
- S33** Session Organizer and Chair, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2003
- S34** Session Chair, Dagstuhl Workshop on Software Architecture Recovery and Modeling (SWARM), Dagstuhl, Germany, February 2003
- S35** Chair, Tutorials, The Third Working IEEE/IFIP Conference on Software Architecture (WICSA-3), Montreal, Canada, August 2002
- S36** Technical Paper Session Chair, The Working IEEE/IFIP Conference on Software Architecture (WICSA-3), Montreal, Canada, August 2002
- S37** Technical Paper Session Chair, 24th International Conference on Software Engineering (ICSE 2002), Orlando, FL, May 2002
- S38** Session Organizer and Chair, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2002
- S39** Technical Paper Session Chair, Eighth European Software Engineering Conference and Ninth ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2001), Vienna, Austria, September 2001
- S40** Technical Paper Session Chair, 23rd International Conference on Software Engineering (ICSE 2001), Toronto, Canada, May 2001
- S41** Session Organizer and Chair, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2001
- S42** Technical Paper Session Chair, Eighth ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE8), San Diego, CA, November 2000
- S43** Session Organizer and Chair, Annual Research Review, Center for Software Engineering, University of Southern California, Los Angeles, CA, March 2000
- S44** Organizing Committee Member, NSF Workshop on Software Engineering Research Strategies, Los Angeles, CA, August 1999
- S45** Student Volunteer Coordinator, 21st International Conference on Software Engineering (ICSE'99), Los Angeles, CA, May 1999
- S46** Co-Chair, DARPA/ITO EDCS Workshop on Architecture Description Language Toolkits, San Diego, CA, October 1998
- S47** Chair, DARPA/ITO EDCS Workshop on the UML, Austin, TX, November 1997
- S48** Webmaster, 1997 International Conference on Software Engineering (ICSE'97), Boston, MA, May 1997

Program Committee Membership

- S49** Program Committee Member, 1st International Workshop on the Twin Peaks of Requirements and Architecture, Chicago, IL, September 2012

- S50** Program Committee Member, 6th ACM International Conference on Distributed Event-Based Systems, Berlin, Germany, July 2012
- S51** Program Committee Member, 7th International Symposium on Software Engineering for Adaptive and Self-Managing Systems, Zurich, Switzerland, June 2012
- S52** Program Committee Member, 3rd International Workshop on Software Engineering for Sensor Network Applications, Zurich, Switzerland, June 2012
- S53** Mentoring Committee Member, 34th International Conference on Software Engineering (ICSE 2012), Zurich, Switzerland, June 2012
- S54** Program Committee Member, 22nd IEEE International Symposium on Software Reliability Engineering, Hiroshima, Japan, November-December 2011
- S55** Program Committee Member, 9th IEEE International Conference on Software Engineering and Formal Methods, Montevideo, Uruguay, November 2011
- S56** Expert Reviewer Panel Member, 26st IEEE/ACM International Conference on Automated Software Engineering (ASE 2011), Lawrence, KS, November 2011
- S57** Workshops Committee Member, The joint meeting of the European Software Engineering Conference and the ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2011), Szeged, Hungary, September 2011
- S58** Program Committee Member, 5th Brazilian Symposium on Software Components, Architectures, and Reuse (SBCARS), Sao Paulo, Brazil, September 2011
- S59** Program Committee Member, 9th IEEE/IFIP Working Conference on Software Architecture (WICSA), Boulder, CO, June 2011
- S60** Program Committee Member, 6th International Symposium on Software Engineering for Adaptive and Self-Managing Systems (SEAMS), Honolulu, HI, May 2011
- S61** Program Committee Member, IEEE Globecom 2010 Workshop on Pervasive Group Communications (PerGroup), Miami, FL, December 2010
- S62** Program Committee Member, 18th ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE 2010), Santa Fe, NM, November 2010
- S63** Program Committee Member, International Symposium on Architecting Critical Systems (ISARCS 2010), Prague, Czech Republic, June 2010
- S64** Program Committee Member, 32nd International Conference on Software Engineering, Cape Town, South Africa, May 2010
- S65** Program Committee Member, 5th International Workshop on Software Engineering for Adaptive and Self-Managing Systems (SEAMS), Cape Town, South Africa, May 2010
- S66** Program Committee Member, Workshop on Flexible Modeling Tools (FlexiTools), Cape Town, South Africa, May 2010
- S67** Program Committee Member, Workshop on Quantitative Stochastic Models in the Verification and Design of Software Systems (QUOVADIS), Cape Town, South Africa, May 2010
- S68** Expert Panel Member, 24th IEEE/ACM International Conference on Automated Software Engineering (ASE 2008), Auckland, New Zealand, November 2009

- S69** Program Committee Member, 8th Working IEEE/IFIP Conference on Software Architecture (WICSA) and 3rd European Conference on Software Architecture (ECSA), Cambridge, UK, September 2009.
- S70** Program Committee Member, 12th European Software Engineering Conference and 17th ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2009), Amsterdam, the Netherlands, August 2009
- S71** Program Committee Member, 8th International Workshop on the Foundations of Coordination Languages and Software Architectures (FOCLASA'09), Rhodes, Grece, July 2009
- S72** Program Committee Member, DSN 2009 Workshop on Architecting Dependable Systems (WADS 2007), Lisbon, Portugal, June 2009
- S73** Program Committee Member, 5th International Conference on the Quality of Software Architecture (QoSA 2009), East Stroudsburg, PA, June 2009
- S74** Program Committee Member, 6th International Conference on Autonomic Computing (ICAC), Barcelona, Spain, June 2009
- S75** Program Committee Member, 4th International Workshop on UML and AADL, Potsdam, Germany, June 2009
- S76** Program Committee Member, 31st International Conference on Software Engineering, Vancouver, Canada, May 2009
- S77** Program Committee Member, 4th International Conference on the Quality of Software Architectures (QoSA 2008), Karlsruhe, Germany, October 2008
- S78** Program Committee Member, 11th International Symposium on Component-Based Software Engineering (CBSE 2008), Karlsruhe, Germany, October 2008
- S79** Program Committee Member, 23rd IEEE/ACM International Conference on Automated Software Engineering (ASE 2008), L'Aquila, Italy, September 2008
- S80** Program Committee Member, 2nd Brazilian Symposium on Software Components, Architectures, and Reuse (SBCARS 2008), Porto Alegre, Brazil, August 2008
- S81** Program Committee Member, 7th International Workshop on the Foundations of Coordination Languages and Software Architectures (FOCLASA'08), Reykjavik, Iceland, July 2008
- S82** Program Committee Member, DSN 2008 Workshop on Architecting Dependable Systems (WADS 2007), Anchorage, AK, June 2008
- S83** Program Committee Member, 30th International Conference on Software Engineering, Leipzig, Germany, May 2008
- S84** Symposium Committee Member, Doctoral Symposium, 30th International Conference on Software Engineering, Leipzig, Germany, May 2008
- S85** Program Committee Member, 3rd International Workshop on Software Engineering for Adaptive and Self-Managing Systems (SEAMS 2008), Leipzig, Germany, May 2008
- S86** Program Committee Member, International Workshop on Software Architectures and Mobility (SAM 2008), Leipzig, Germany, May 2008
- S87** Program Committee Member, 22nd IEEE/ACM International Conference on Automated Software Engineering, Atlanta, GA, November 2007

- S88** Program Committee Member, International Workshop on the Engineering of Software Services for Pervasive Environments (ESSPE), Dubrovnik, Croatia, September 2007
- S89** Program Committee Member, 10th International Symposium on Component-Based Software Engineering (CBSE 2007), Boston, MA, July 2007
- S90** Program Committee Member, 3rd International Conference on the Quality of Software Architectures (QoSA 2007), Boston, MA, July 2007
- S91** Program Committee Member, First IEEE International Conference on Self-Adaptive and Self-Organizing Systems (SASO 2007), Boston, MA, July 2007
- S92** Program Committee Member, DSN 2007 Workshop on Architecting Dependable Systems (WADS 2007), Edinburgh, UK, June 2007
- S93** Program Committee Member, 2nd International Workshop on Software Engineering for Adaptive and Self-Managing Systems (SEAMS 2007), Minneapolis, MN, May 2007
- S94** Program Committee Member, 2nd Workshop on Sharing and Reusing Architectural Knowledge – Architecture Rationale and Design Intent (SHARK/ADI), Minneapolis, MN, May 2007
- S95** Tutorials Committee Member, 29th International Conference on Software Engineering (ICSE 2007), Minneapolis, MN, May 2007
- S96** Program Committee Member, Workshop on Tools, Operating Systems and Programming Models for Developing Reliable Systems (TOPMoDeLS), Long Beach, CA, March 2007
- S97** Program Committee Member, 6th International Workshop on Software and Performance (WOSP 2007), Buenos Aires, Argentina, February 2007
- S98** Program Committee Member, 6th Working IEEE/IFIP Conference on Software Architecture, Mumbai, India, January 2007
- S99** Program Committee Member, 14th ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE 14), Portland, OR, November 2006
- S100** Symposium Committee Member, Doctoral Symposium, 14th ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE 14), Portland, OR, November 2006
- S101** Expert Reviewer Panel Member, 21st IEEE/ACM International Conference on Automated Software Engineering (ASE 2006), Tokyo, Japan, September 2006
- S102** Doctoral Symposium Committee Member, 21st IEEE/ACM International Conference on Automated Software Engineering (ASE 2006), Tokyo, Japan, September 2006
- S103** Program Committee Member, 9th International Symposium on Component-Based Software Engineering (CBSE 2006), Västerås, Sweden, June/July 2006
- S104** Program Committee Member, ICSE 2006 Workshop on Software Engineering for Adaptive and Self-Managing Systems (SEAMS), Shanghai, China, May 2006
- S105** Tutorials Committee Member, 28th International Conference on Software Engineering (ICSE 2006), Shanghai, China, May 2006
- S106** Program Committee Member, 20th IEEE International Conference on Automated Software Engineering (ASE 2005), Long Beach, CA, November 2005
- S107** Program Committee Member, 10th European Software Engineering Conference and 13th ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2005), Lisbon, Portugal, September 2005

- S108** Program Committee Member, 9th International Software Product Line Conference (SPLC-EUROPE 2005), Rennes, France, September 2005
- S109** Program Committee Member, 5th International Workshop on Software Engineering and Middleware (SEM 2005), Lisbon, Portugal, 5-6 September 2005
- S110** Program Committee Member, Workshop on Architecture-Centric Evolution (ACE 2005), Glasgow, UK, July 2005
- S111** Program Committee Member, 4th International Workshop on Architecting Dependable Systems (WADS 2004), St. Louis, MO, May 2005
- S112** Program Committee Member, 8th International Symposium on Component-Based Software Engineering (CBSE8), St. Louis, MO, May 2005
- S113** Program Committee Member, Workshop on Software Composition (SC 2005), April 2005, Edinburgh, UK
- S114** Program Committee Member, Hawaii International Conference on System Sciences, Mini-Track on Strategic Software Engineering, Hawaii, January 2005
- S115** Program Committee Member, 2004 Workshop on Self-Managed Systems, Newport Beach, CA, November 2004
- S116** Program Co-Chair, Workshop on Software Architecture Description & UML, Lisbon, Portugal, October 2004
- S117** Program Committee Member, 19th IEEE International Conference on Automated Software Engineering (ASE 2004), Linz, Austria, September 2004
- S118** Program Committee Member, 4th IEEE/IFIP Working Conference on Software Architecture (WICSA-4), Oslo, Norway, June 2004
- S119** Program Committee Member, Workshop on Capturing Experience in Software Architecture Best Practices, Oslo, Norway, June 2004
- S120** Program Committee Member, Twin Workshops on Architecting Dependable Systems (WADS 2004), Edinburgh, UK, May 2004 and Florence, Italy, June 2004
- S121** Program Committee Member, 2nd International Working Conference on Component Deployment (CD 2004), Edinburgh, UK, May 2004
- S122** Program Committee Member, 7th International Symposium on Component-Based Software Engineering (CBSE7), Edinburgh, UK, May 2004
- S123** Program Committee Member, International Workshop on Incorporating COTS into Software Systems: Tools and Techniques (IWICSS), Redondo Beach, CA, February 2004
- S124** Program Committee Member, 10th Working Conference on Reverse Engineering (WCRE 2003), Victoria, BC, Canada, November 2003
- S125** Program Committee Member, 5th International Workshop on Product Family Engineering (PFE-5), Siena, Italy, November 2003
- S126** Program Committee Member, 2nd International Workshop on Architecting Dependable Systems (WADS 2003), Portland, OR, May 2003
- S127** Program Committee Member, Conference on Generative and Component-Based Software Engineering (GCSE), Pittsburgh, PA, October 2002
- S128** Program Committee Member, The Working IEEE/IFIP Conference on Software Architecture (WICSA-3), Montreal, Canada, August 2002

- S129** Program Committee Member, 2nd Software Product Line Conference (SPLC-2), San Diego, CA, August 2002
- S130** Program Committee Member, International Workshop on Mobile Teamwork, Vienna, Austria, July 2002
- S131** Program Committee Member, ECOOP 2002 Workshop on Concrete Communication Abstractions Of The Next 701 Distributed Object Systems, Malaga, Spain, June 2002
- S132** Program Committee Member, 24th International Conference on Software Engineering (ICSE 2002), Orlando, FL, May 2002
- S133** Symposium Committee Member, Doctoral Symposium, 24th International Conference on Software Engineering (ICSE 2002), Orlando, FL, May 2002
- S134** Program Committee Member, 1st International Workshop on Architecting Dependable Systems (WADS 2002), Orlando, FL, May 2002
- S135** Program Committee Member, 4th International Workshop on Product Family Engineering (PFE-4), Bilbao, Spain, October 2001
- S136** Program Committee Member, 8th European Software Engineering Conference and 9th ACM SIGSOFT Symposium on the Foundations of Software Engineering (ESEC/FSE 2001), Vienna, Austria, September 2001
- S137** Program Committee Member, The Second Working IEEE/IFIP Conference on Software Architecture (WICSA-2), Amsterdam, The Netherlands, August 2001
- S138** Program Committee Member, 23rd International Conference on Software Engineering (ICSE 2001), Toronto, Canada, May 2001
- S139** Program Committee Member, Second International Workshop on Engineering Distributed Objects (EDO 2000), Davis, CA, November 2000
- S140** Program Committee Member, Eighth ACM SIGSOFT Symposium on the Foundations of Software Engineering (FSE8), San Diego, CA, November 2000
- S141** Program Committee Member, Fourth International Software Architecture Workshop (ISAW-4), Limerick, Ireland, June 2000
- S142** Program Committee Member, Third International Workshop on Software Architectures for Product Families (IW-SAPF-3), Las Palmas de Gran Canaria, Spain, March 2000

Referee and Reviewer Service

- S143** ACM Transactions on Software Engineering and Methodology
1998, 1999, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011
- S144** IEEE Transactions on Software Engineering
1997, 1998, 1999, 2000, 2001, 2003, 2004, 2005, 2006, 2007, 2008, 2009

1997

Other

- S166** Participant, IFIP Working Group 2.10 – Software Architecture
2002-2007

14 University Service

- S167** Associate Chair for Ph.D. Affairs, Computer Science Department, USC
7/11 - present
- S168** Department Ranking Committee, Computer Science Department
2/12 - present
- S169** Ph.D. Council, Viterbi School of Engineering, USC
1/12 - present
- S170** Department Chair Search Committee, Computer Science Department, USC
9/11 - present
- S171** Chair, Ph.D. Admissions Committee, Computer Science Department, USC
7/11 - present
- S172** Director, Center for Systems & Software Engineering, Viterbi School of Engineering, USC
1/09 - present
- S173** Engineering Faculty Council (EFC), Viterbi School of Engineering, USC
1/02 - 5/05, 8/06 - 5/10
- S174** New Building Faculty Advisory Committee, Viterbi School of Engineering, USC
1/10 - present
- S175** EFC Academic Senate Alternate, USC
8/08 - 8/09
- S176** Appointments, Promotions, and Tenure Committee, Viterbi School of Engineering, USC
8/08 - 5/10
- S177** Ph.D. Admissions Committee, Computer Science Department, USC
8/04 - 5/05, 8/07 - present
- S178** Ph.D. Fellowships Committee, Computer Science Department, USC
8/07 - present
- S179** Group Leader, Software Systems and Engineering, Computer Science Department, USC
8/08 - present
- S180** Chair, Faculty Hiring Committee, Computer Science Department, USC
8/08 - 5/09
- S181** Department Chair's Advisory Committee, USC
8/07 - 7/08
- S182** Merit Review Committee, Computer Science Department, USC
2000, 2004, 2008, 2010
- S183** Provost/Academic Senate Committee on Information Services, USC
8/06 - 5/08
- S184** Dean/EFC Standing Committee on Best Practices, USC
1/08 - 8/08
- S185** Dean/EFC Standing Committee on Faculty Recruitment and Retention, USC
8/07 - 8/08
- S186** EFC Research Committee
1/07 - 8/07, 1/10 - 5/10

- S187** Chair, Interaction Group, Computer Science Department, USC
8/06 - 8/07
- S188** Chair, EFC Merit Review Committee, USC
8/06 - 8/08
- S189** Computer Science Department, Qualifying Exam Timeline Committee, USC
4/06 - 5/07
- S190** Computer Science Department, M.S. Program Review Committee, USC
12/03 - 5/05
- S191** Research Faculty Hiring Committee, Computer Science Department, USC
2002, 2003, 2006, 2007, 2008
- S192** Dean's Evaluation Committee, School of Engineering, USC
11/04 - 1/05
- S193** School of Engineering, M.S. Program Review Committee, USC
9/03 - 12/03
- S194** Faculty Hiring Committee, Computer Science Department, USC
2001, 2004
- S195** Interview Panel, Trustee Scholarship, School of Engineering, USC
3/02, 3/04
- S196** EFC Committee on Research Faculty Rights and Responsibilities, USC
11/02 - 5/03
- S197** Chair, Computer Systems Group, Computer Science Department, USC
12/99 - 5/02
- S198** USC College of Engineering Commencement Marshal
2000, 2002
- S199** Industrial Liaison Committee, Computer Science Department, USC
2000
